

## TEXT SYSTEM COMMANDS

When interacting with the texting system, you have several commands available. All Juice text communication will come from the number [42537](tel:42537). If you don't see 42537 as the sender, contact Juice Support at the number listed on the back of your card immediately. To start receiving texts from Juice, simply send an initial text "START" to the number [42537](tel:42537). Below is a list of available text commands. *Note: Message and data rates may apply.*

1. **BAL** - This command gives the current balance on your account.
2. **LAST** - The most recent transaction.
3. **PEND** - To display the pending direct deposit amount to your account, use this command.
4. **STOP** - This will stop the text messages. Alternate commands with the same result: **END**.
5. **START** - Use this command to start text messages. Other commands with the same function include: **TEXTME**.
6. **HELP** - To see the program contact information.
7. **INFO** - This command shows a list of available commands.

### JUICE TEXT RESPONSES

Note that if you have more than one Juice Card with the same associated cell phone number, you will get each card response inline.
